**The DNC voted for Debbie Wasserman Schultz to be their Chairperson.  
They have the authority to remove her from office with a simple majority vote.  
The DNC needs to call a meeting of the entire committee and VOTE HER OUT NOW!**

## **REMOVE DWS NOW!**

- **The Democratic Party does not have enough money to hold their convention.**
- **People are refusing to donate to the DNC unless DWS is fired.**
- **Democrats are at risk of losing even more House and Senate elections.**
- **Republicans (and their debates) have dominated the mainstream media.**

Scroll down through the next few pages and where we have compiled contact information for prominent Democratic political figures. Please contact their offices via phone and **make it clear to them that you want Debbie Wasserman Schultz to be removed as the Chairperson of the DNC and that you refuse donate to the DNC until she has been removed from her post as Chairperson.**

Hello,

My name is \_\_\_\_\_. I am a Democratic voter. The reason for my call is to let you know that I am very disappointed with the way that Debbie Wasserman Schultz is running the DNC. I am calling because I want DWS removed. She is an embarrassment to democracy. DNC bylaws require only a 50% majority vote to remove her and replace her with the First Vice-Chair. (Ray Buckley)

**I have some points that I want to make very, very clear:**

- 1. The Republicans are dominating the airwaves and the Democratic Party due to Debbie Wasserman Schultz's rigged debate schedule. It seems like the only reason she scheduled a debate for Saturday December 19th is because Christmas Eve wasn't available! It seems like everyone agrees that the exclusivity rule violates the concept of free speech. The exclusivity rule needs to be removed now!**
- 2. I (and many people like me) refuse to donate any money to the Democratic Party as long as DWS is the Chairperson. It is clear that under Debbie Wasserman Schultz's leadership big money donors control the DNC and are buying VIP access to the candidates.**
- 3. The Party is not even close to having a full slate of candidates running for Senate and Congressional offices. Due to Debbie Wasserman Schultz's actions we are at risk of losing the Presidential Election to the Republicans, and suffering even deeper losses in the House and the Senate, and even many incumbent Democratic Senator's and Representative's re-elections are at risk. Democrats will never be able to reclaim the US Senate, or the House with Debbie Wasserman Schultz as Chairperson.**

**Instead of uniting the party, she is dividing it.**

I encourage you to take action to put an end to the damage she is doing.

**We want the (DNC member, Senator, Congressperson, etc.) to contact the people that they know within the party to call a meeting of the DNC to discuss and RESOLVE these issues NOW, before it is too late.**
